Cash at the beginning of the year		622	795	795	716
Cash at the end of the year		795	716	716	350

Statement of Significant Assumptions

These forecast financial statements have been compiled on the basis of existing government policies and Ministerial expectations at the time the statements were finalised. The forecasts are based on assumptions regarding the operating and financial performance of the Ministry and other general economic and financial assumptions.

The main assumptions are as follows:

- The Ministry's activities will remain substantially the same as for the previous year.
- Personnel costs are based on expected staff numbers (37 full time equivalents).
- Operating costs are based on historical experience. Other than the one-off sexual violence project funded from the cross-departmental research pool, the general historical pattern is expected to continue.
- Estimated year end information for 2007/08 is used as the opening position for the 2008/09 forecasts.

These assumptions are adopted as at 16 April 2008.

Due care and attention has been given by the Ministry in preparing the financial forecasts. However, the Ministry cannot give any guarantee or assurance that the forecasts will be achieved. The Ministry is not aware of anything that could lead to a material difference between the forecast financial statements and the 2008/09 actual financial statements other than decisions by the government such as new initiatives, or technical adjustments.

Department-Specific Accounting Policies

The Ministry of Women's Affairs has applied the accounting policies set out in the Statement of Common Accounting Policies included in this document, except as stated below.

Reporting Entity

These are the prospective financial statements of the Ministry of Women's Affairs, prepared in accordance with section 38 of the Public Finance Act 1989.

The Ministry of Women's Affairs is a Government Department as defined by section 2 of the Public Finance Act 1989. For the purposes of financial reporting the Ministry of Women's Affairs is a public benefit entity.

Authorisation Statement

These forecast financial statements were authorised for issue by the Ministry's Chief Executive on 16 April 2008. The Chief Executive is responsible for the forecast financial statements presented, including the appropriateness of the assumptions underlying the forecast financial statements and all other required disclosure.

Statement of Entity-Specific Accounting Policies

Depreciation

The estimated useful lives of property, plant and equipment are set out below:

- Leasehold improvements - over the term of the lease
- IT equipment / hardware - 3 years
- Furniture and office equipment - 5 to 10 years
- Library (legal reference) - 2 to 10 years
- Library (non-fiction and reference) - 10 years

Intangible assets

The estimated useful life of computer software is 3 years.
