Dear Brian and Ivan

I know that your department has been working on our behalf during the last few weeks and I should like to express my personal thanks for what you have done. Although I am very thankful we have apparently "weathered the storm", it has been a great comfort to know that your department has been there to assist in the various crises which have arisen and I, personally, am most grateful for your help.

If it is in order, I would be pleased if you could express my thanks to the Prime Minister, John Key, and Bill English, as I understand they were agreeable to helping solving the problem should that have been necessary.

Yours faithfully,

Allan Hubbard  
Chairman
