Review of the Overseas Investment Act: Inclusion of Aquaculture in the Overseas investment Regime

On 20 September 2004, the Cabinet Business Committee

- 1 noted that on 25 August 2004 POL invited the Minister of Finance, the Minister of Maori Affairs and the Minister of Fisheries to give further consideration to whether the overseas investment regime should be extended to include aquaculture, and report to the Cabinet Policy Committee (POL) on 8 September 2004 if possible [POL Min (04) 19/5];
- 2 agreed that the overseas investment regime should not apply to aquaculture.
