### **NEW ENTRANT CLASS SIZE SAVINGS**

We have agreed to rescind our previous decision to unwind the 2009 Year One class size reduction in Budget 2009 (refer CAB Min (09) 13/8(20)).

The following savings were included in Budget 2009 for the Year One class size unwind:

	Increase/decrease (\$ millions)				
	2008/09	2009/10	2010/11	2011/12	2012/13
Saving from new entrant class size unwind	-	-	-	(45.000)	(50.000)

We have agreed that the Minister of Education will come up with alternative options to achieve at least the same level of savings in 2011/12 and outyears through alternative changes to school staffing parameters.
