**SUBMISSION AGAINST ASSET SALES AND THE TAMPERING OR TAKING OUT SECTION 9 OF  
THE STATE OWNED ENTERPRISE ACT!**

The 'Horse' has bolted from the times of Governor William Hobson, through today's times with Governor John Keys and his Mps but, the question is how long is this going to continue as they make and change 'Laws' to suite their governor and Mps and claim its being done for the interest of New Zealanders?

The Waitangi Tribunal what does it mean for all us claimants while we wait in vain to get all our grievances addressed, but now we have to deal with the asset sales and the tampering with Section 9 of the SOE Act, again it is their intentions to change the laws to suite their government which you can be certain that mores grievances will be added to the other grievances that have not yet been addressed.

This is gone on long enough and far beyond a bad joke and so it's time to stop the horse that has bolted long and wide and we the claimants of the WAI 1141 SAY NO TO OUR ASSETS being sold and, NO again to the tampering or taking out Section 9 of the State Owned Enterprises Act!!!
