Question 1: What rights and interests, if any, do Māori have in the Mixed Ownership Model Companies that are not protected by the section 27A-D memorials regime, or by other legislation?

Pipes from Lake Waikaremoana to the Kaitawa Power Station and Structures on the Lake Bed are not covered by the 27A-D memorials.

Proprietary rights to water has not been dealt with nor has water useage by these three Power stations.

With this sale we will have every man and his dog as owners in our land.

That a Trust be formed to be run by the Owners and descendants of the Original Owners in Lake Waikaremoana. That this Trust is situated at Waikaremoana and administers the Income from rentals held and administered at this time by the Tuhoe, Waikaremoana Trust Board and the Wairoa Waikaremoana Trust Board.

Question 2: How would any rights and interests identified in question 1 be protected by continued application of section 9 of the State-Owned Enterprises Act 1986?

We will have to be consulted at least instead of having to go to consultation hui to listen to people patting themselves on the back.

Question 3: Could any rights and interests identified in question 1 be protected by an alternative, more specific, formulation of the Crown's obligations under the Treaty?

If the sale proceeds before these issues are dealt with we will have no protection.
