Subject: Asset sales

I support 100% the retention and validation of section 9 in terms of assets sales lead by the crown

I also think that this should be applicable to private sales of crown assets

Foreign ownership or purchases of land here in NZ should not be validated if that arrangement isn't reciprocal in their country

All efforts and focus should be on supporting Kiwi investments – we shouldn't be selling assets that we are looking after for our mokopuna & not sacrificing that for 13 pieces of silver

Wake up John key or move to China – lets see how you do purchasing land there – what does the Tui add say – Yeah right
