Question 1: What rights and interests, if any, do Māori have in the Mixed Ownership Model Companies that are not protected by the section 27A-D memorials regime, or by other legislation?

My hapu did have occupational ^{rights} to different parts of the Waikato river for the collection of food. These or some of these areas are now flooded. One area was to cross safely on horseback. Landing areas by boat + canoe are gone due to land confiscation - flooding - Public works act.

Question 2: How would any rights and interests identified in question 1 be protected by continued application of section 9 of the State-Owned Enterprises Act 1986?

We want to see that we still own the water and dams + land surrounds which were probably taken in The public Works act. of the time.

Question 3: Could any rights and interests identified in question 1 be protected by an alternative, more specific, formulation of the Crown's obligations under the Treaty?

None.
