to get aotearoa out of debt -
 here's a crazy idea -
 INVEST Govt/crown/twi money
 in creating great -
 jobs, Task force Green,
 better education
 INVEST IN OUR
 FUTURE !! NOT
 IN ~~ASSET~~ PAST
 OR OUR PRESENT !!

DONT close those schools down
on cracks, the Maori who like me struggles on the benefit, studies full time & still offer 30+ voluntary hours to my community or is the Maori referred to in this course talking about donkeys recognised kaupapa Maori

P.S - In case you didnt know or u have ur
 cant see the poor glasses on Maori is mentioned
 & low leaders are mentioned does that include the poor homeless
 Maori the Maori women living in womens refuge, the Maori who ~~get~~ lives

Taku maraqa du 3
 * I stand here on behalf of
 my ~~family~~ ^{children}, my extended whanau
 & all my friends who oppose the sale of
 assets. My first cry goes out to my sacred
 river whos being thrown around like a sack of potatoes
 for sale. E vere ra koe, e whaito e ereve ra...

Truly, my heart cries out to all my tupuna who were
 slaughtered & slain & made into orphans,
 Paumotu to Princess Te Peua who took it upon her self,
 and Kingi tangi to gather my orphaned Tupuna, who live
 off our sacred river.

Truly my heart cries out to our ~~future~~ neglected children
 Tamoko mokopuna of tomorrow, ~~with~~ a generation that is
 never prioritised, ~~at~~ my understanding of ^{shares} ~~water~~
~~rights~~ ^{plus}, is the same VIP
 selected few will continue to live in luxury while
 rest of us continue to struggle, system aka "rich get
 rich & poor get poorer"

I acknowledge the Boycot, fair enough if Donkey
 think has too cool to attend ^{TAMOKO} ~~our~~ hui, then why the
 hell should fairness come to this hui

& last but not least, e Wiremu Pakiha. Taku
 aroha kia koe, ko te shua nei ke kowiri roa
 koe me hore kii. ke tangata pai koe, hore mai
 koe ki te kite, kowiri ki te kowiri. Ka tika me miki
~~the~~ ^{the} ~~only~~ bottom line ~~is~~ ^{is} NO ASSET SALES,
~~but~~ Surely theres another way to fix something that's not
 broke
