Reference: 20160205

3 August 2016

Thank you for your Official Information Act request, received on 9 June 2016. You requested the following:

"The names of all companies/organisations on the Transactions Unit's stakeholder database.

Where any information is withheld I request the title and date of that document and full reasons for the information being withheld under the Act."

On 5 July 2016 we extended the time limit for deciding on your request by an additional 20 working days.

Information Being Released

Please find enclosed the following documents:

Item	Date	Document Description	Decision
1.	Updated 12 July 2016	Transactions Unit Stakeholder List	Release in full

I have decided to release the above document in full.

You will note that a wide range of organisations and companies are included in this list. This reflects its purpose, which is to provide public updates on the Social Housing Reform Programme. So inclusion in this list does not indicate that an organisation or company is involved in any social housing transactions, or even the social housing sector more widely.

Please note that this letter (with your personal details removed) and enclosed documents may be published on the Treasury website.

This fully covers the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Stacey Wymer
