Thank you for your Official Information Act request, received on 12 July 2016. You requested the following:

*“a list of all artwork and art items owned by the organization, including a description, book value and replacement value (if known) of each.
Please take a wide interpretation of ‘artwork’ such that it includes (but is not limited to paintings, drawings, sculptures, portraits and public art).
Please also feel free to include any additional information in relation to any art item, such as any photos held in your organisation’s asset register.”*

Information Being Released

Please find enclosed the following documents:

Item	Date	Document Description	Decision
1.	2016	Extract from Treasury Artwork spreadsheet – Stocktake 2015-2016 Financial year	Release in part

I have decided to release the relevant part of the document listed above. In Treasury’s 176 year history we have collected the above artworks. The bulk of our collection was established in the 1980s and 1990s. We have not added to the collection since 2001, instead just maintaining the works when frames have been damaged etc. Items in the collection are on display throughout the building and are circulated from time to time in our duty as an employer to provide a good working environment for our staff.

Please note that this letter (with your personal details removed) and enclosed documents may be published on the Treasury website.

This fully covers the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

Jacqueline Hughes
Acting Team Leader, Facilities
