Transpower General Management Change

Transpower advises that Howard Cattermole, Chief Financial Officer, will be leaving Transpower. He will remain in his current position until such time that a replacement has been identified.

Howard Cattermole has worked for Transpower since 1999, holding a number of regulatory management roles before he was appointed General Manager of the Corporate Services Division in 2006. In 2011 he was appointed Chief Financial Officer, responsible for all regulatory and financial functions.

“Howard has made a significant contribution to the company, as well as to the Transpower Board,” said Chief Executive Alison Andrew. “I appreciate the opportunity to continue to work with him through a transitional phase as we recruit his replacement. We wish him well in the future.”
