Land Transport Funding and Policy Decisions

On 28 February 2002 the Cabinet Legislation Committee, having been authorised by Cabinet with Power to Act [CAB Min (02) 6/6 & 6/7]:

[relevant sections only]

- 39 noted that papers on rail policy are still under consideration, but that it is a priority within that policy to maintain the integrity and viability of the national rail network;
- 40 noted that the expenditure allocations outlined above are in addition to any expenditure which may be required to protect the integrity of the national rail network;
- 41 agreed that transport policy will ensure that, wherever appropriate, incentives work to encourage more heavy freight to be carried by rail;
- 42 directed officials to report back to POL on the policy matters outlined above, except for those matters contained in paragraphs 24 — 33;
