

The Treasury Gifts and Hospitality Register for July 2014 to December 2015

24 February 2016

Released by the Treasury on 25 February 2016 at www.treasury.govt.nz/publications/informationreleases/giftregister

General Principles

Principle 1: Treasury staff should not accept gifts or hospitality unless there is a clear business benefit to Treasury.

Principle 2: All gifts or hospitality that could reasonably be seen as undermining the integrity of Treasury staff, Treasury, or the wider State Sector must be refused.

Principle 3: Treasury staff must adhere to the Treasury Conflicts of Interest policy and Treasury Code of Conduct.

Principle 4: Treasury staff must not accept prohibited gifts and hospitality. Treasury policy is that gifts worth less than \$100 may be accepted, provided acceptance is consistent with the principles.

All accepted gifts immediately become the property of Treasury ie, they are not retained by the recipient.

Gifts worth \$100 or more should be declined, unless the gift is from an international/cultural dignitary or iwi and refusing the gift would cause offence.

Notes

This register discloses gifts and hospitality for amounts \$100 and above that were accepted between 1 July 2014 and 1 December 2015. Procedural changes to align our register with the calendar year means this disclosure covers 18 months.

Where several staff accepted an invitation for the same hospitality or receive the same gift, then this is noted as a single entry in the register published below.
