This Macroeconomic Stability Dashboard document is published to coincide with the Treasury's Budget (BEFU), Half Year (HYEFU), and Pre-election (PREFU) Economic and Fiscal Updates and with significant data releases. Data are correct as at 14 August 2017.

Unless otherwise stated, dashed lines refer to forecasts from the Treasury at the Pre-election Economic and Fiscal Update 2017. Economic forecasts finalised on 13 April 2017. Fiscal forecasts finalised on 7 August 2017.

Notation:

RBNZ refers to the Reserve Bank of New Zealand.

\* Coordinates of 2009 lie beyond the chart scale, (-5.8, 3.4).

\*\*Government Debt refers to the total government securities on issue as published by the RBNZ.
