Subject: MfE late bid - PFAS

Hi [23] – as discussed, the supported funding for PFAS is:

	17/18	18/19
Supported funding	0.200	1.500
- <i>EPA</i>	0.102	0.400
- <i>MfE</i>	0.98	1.100

The rationale behind this scaling is as set out in my earlier email. However, we increased the supported funding for 17/18 for the EPA by \$0.50 based on the responses to my questions (saying that new expenditure on this project could realistically exceed the \$0.50 in the remainder of this year I had initially indicated that we could support). I am aware that the amount supported (for both EPA and MfE) remains less than what was bid for.

Thanks
Hamish
