# Package for Priority C: Lifting Māori and Pacific incomes, skills and opportunities

## Initiatives outside Priority C

Priority C encompasses all initiatives which have a direct focus on lifting Māori and Pacific incomes, skills and opportunities.

However, there are a number of other initiatives outside Priority C which also have an indirect or tangential focus on these communities. These are observed in the diagram below.

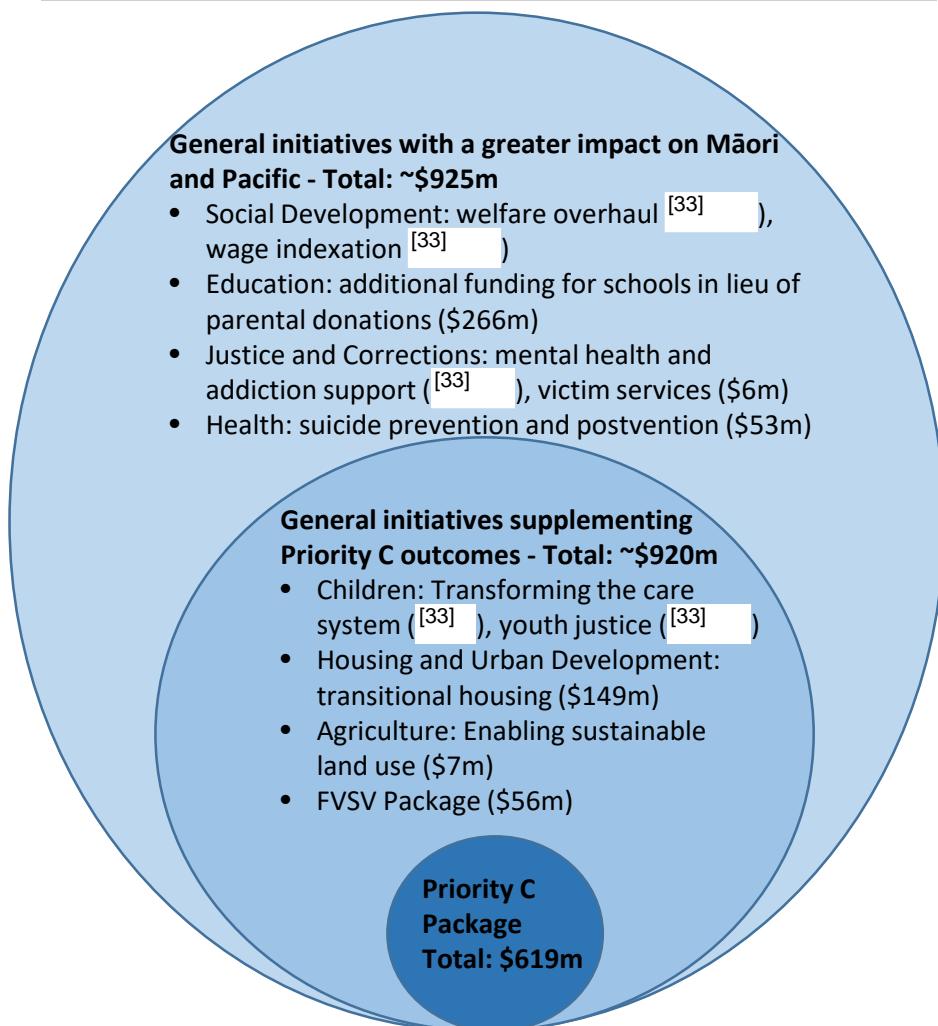

**Notes:**

- The inner circle represents the Priority C package.
- The second circle represents general initiatives that supplement the outcomes of Priority C, but are not exclusive to Māori and Pacific. The outer circle represents general initiatives where the impact is greater on Māori and Pacific communities.

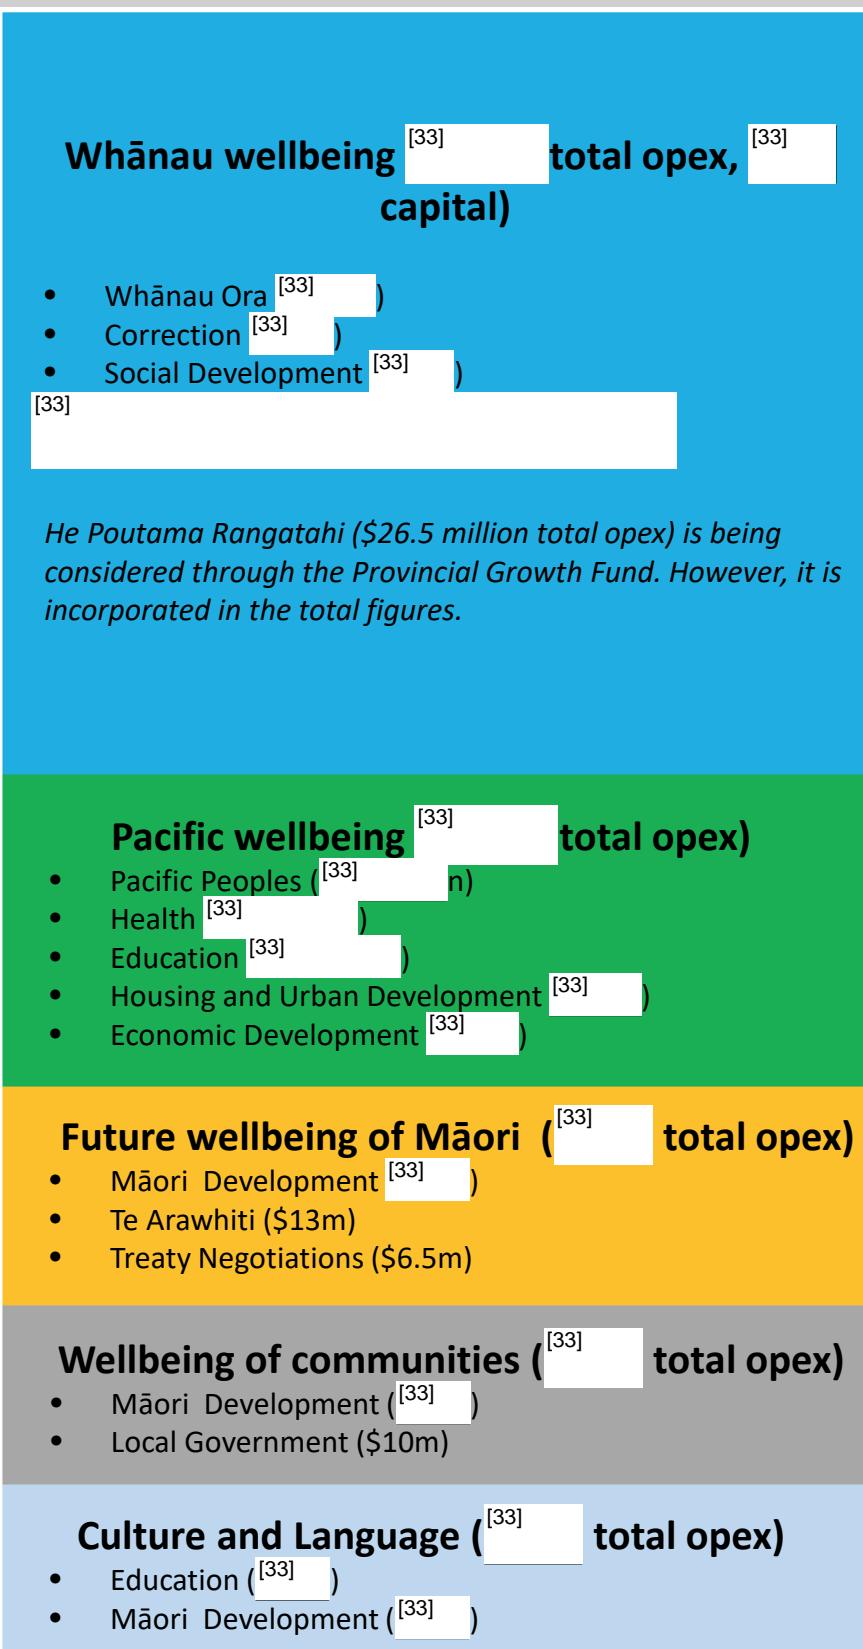

**Priority C + Second Circle = ~\$1.5 billion**

**Priority C + Second Circle + Third Circle = ~\$2.5 billion**

**The examples listed below are not exhaustive and the amounts may change as packages are finalised. All figures are total operating.**

HPR aims to reduce the rates of young Māori and Pacific peoples who are not in employment, education or training. It has been piloted in Te Taitokerau, Eastern Bay of Plenty, Gisborne/Tairāwhiti and Hawke's Bay and the Pacific Employment Support Service is being delivered in Auckland and Hamilton.
