

# Business Finance Guarantee Data

## Key facts:

The Business Finance Guarantee Scheme is coming to a close and will conclude on 30 June 2021. The scheme was established to help small and medium businesses access credit for cashflow, capital assets and projects related to, responding to or recovering from the impacts of COVID-19. Changes to the scheme in February and March 2021 allowed for five Non-Deposit Taking Lenders to join the scheme as participating lenders. Work is now underway to ensure lenders and businesses are on track for the scheme to conclude on 30 June 2021.
