

# Business Finance Guarantee Data

## Key facts:

The Business Finance Guarantee Scheme concluded on 30 June 2021. The scheme was established in March 2020 to help small and medium businesses access credit for cashflow, capital assets and projects related to, responding to or recovering from the impacts of COVID-19. The scheme supported a range of banks, non-bank deposit takers and non-deposit taking lenders to offer supported loans until the end of the availability period on 30 June 2021, with scheme loans no longer being available.
