#### Information Withheld

Some parts of this information release would not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act).

Where this is the case, the relevant sections of the Act that would apply have been identified.

Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it.

Key to sections of the Act under which information has been withheld:

- [1] 6(a) - to avoid prejudice to the security or defence of New Zealand or the international relations of the government
- [23] 9(2)(a) - to protect the privacy of natural persons, including deceased people
- [25] 9(2)(b)(ii) - to protect the commercial position of the person who supplied the information or who is the subject of the information
- [26] 9(2)(ba)(i) - to protect information which is subject to an obligation of confidence or which any person has been or could be compelled to provide under the authority of any enactment, where the making available of the information would be likely to prejudice the supply of similar information, or information from the same source, and it is in the public interest that such information should continue to be supplied
- [33] 9(2)(f)(iv) - to maintain the current constitutional conventions protecting the confidentiality of advice tendered by ministers and officials
- [34] 9(2)(g)(i) - to maintain the effective conduct of public affairs through the free and frank expression of opinions
- [35] 9(2)(g)(ii) - to maintain the effective conduct of public affairs through protecting ministers, members of government organisations, officers and employees from improper pressure or harassment
- [36] 9(2)(h) - to maintain legal professional privilege
- [37] 9(2)(i) - to enable the Crown to carry out commercial activities without disadvantage or prejudice
- [38] 9(2)(j) - to enable the Crown to negotiate without disadvantage or prejudice
- [39] 9(2)(k) - to prevent the disclosure of official information for improper gain or improper advantage
- [40] Not in scope
- [42] 18(d) - information is already publicly available or will be publicly available soon.

Where information has been withheld, a numbered reference to the applicable section of the Act has been made, as listed above. For example, a [23] appearing where information has been withheld in a release document refers to section 9(2)(a).

Dear Prime Minister

Thank you for your recent engagement on Budget 2021. As you will be aware, we have set a very high bar for the initiatives that will be invited for submission, limited to only the most critical cost pressures and urgent manifesto commitments.

I have considered the cost pressures and manifesto commitments that you outlined in your letter, and am inviting you to submit the following initiatives in your portfolio:

## **National Security lease costs for Defence House**

While I have agreed to invite this initiative, I expect it to clearly demonstrate why these costs cannot be met through reprioritisation of existing baselines. I would also expect further information to explain why the additional funding previously provided across all agencies located in Defence House to meet rental cost pressures has proven inadequate.

## **Report of the Royal Commission of Inquiry into the 15 March 2019 terrorist attack**

While I am inviting you to submit further information on this initiative, I expect that the inter-agency work programme tasked with responding to the Royal Commission findings will identify specific capability requirements across the system and provide robust assessment of whether current funding and resources are prioritised effectively, prior to any funding being provided.  
[33]

Please note that while I have invited these initiatives to be submitted, this does not guarantee that they will receive funding. The Treasury will assess the value for money and relative priority of all initiatives, and this advice will help to inform the shape of the final Budget 2021 package to be decided by Budget Ministers. Therefore, I expect that all initiatives will be supported by a robust case for funding and a strong evidence base, as well as scaling and reprioritisation options.

Yours sincerely
