Additional item: Progress Report on Infrastructure Issues

On 23 June 2003, Cabinet:

- 1 noted that in February 2003 Cabinet had established a group of Ministers led by the Minister of Finance to consider and develop the Government's policy and response in relation to infrastructure issues;
- 2 invited the Minister of Finance to provide a report for the Cabinet Policy Committee, if possible on 2 July 2003, on its recommended approach to the key infrastructure issues before the government, including issues associated with Auckland transport.
