APPLICATION

How are people enabled to choose, experience and enjoy identity?

How can real opportunities to experience choice over identity be expanded?

How are people enabled to identify and realise the capabilities they value?

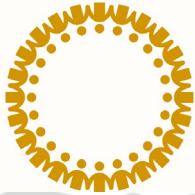

How can real opportunities pursue the capabilities that are valued be expanded?

How are people enabled to create prosperity and ensure the resources to achieve their aspirations?

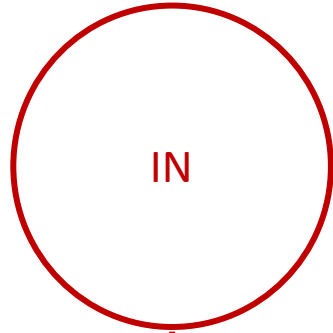

How can real opportunities to create prosperity and deploy resources be expanded?

How are people enabled to create bonds of belonging and reciprocity?

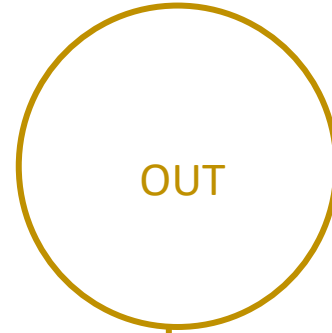

How can real opportunities to belong within chosen communities be expanded?
