Introduction

Since publishing the Annual Report 2021/22, the Treasury has identified errors that are corrected through an erratum. None of these errors are in the audited sections of the Report.

The erratum is not part of the Annual Report 2021/22 – it should be read in conjunction with the Report, to clarify the instances in which the information in the Report is being corrected (by way of the erratum).

The page numbers in the erratum refer to those of the Annual Report PDF file <https://www.treasury.govt.nz/sites/default/files/2022-10/annual-report-2021-22.pdf> published at: <https://www.treasury.govt.nz/publications/annual-report/2022>.
