Dear [REDACTED]

Thank you for your Official Information Act request, received on 19 October 2022. You requested:

Could you please disclose the list of financial institutions registered as market makers in the secondary market of New Zealand's government bonds?

On the NZDMO website, I can find only the list of registered tender counterparties (primary dealers) representing only a subset of market makers.

The Treasury does not hold a list of financial institutions registered as market makers in the secondary market of New Zealand's government bonds. Therefore, I am refusing your request under section 18(e) of the Official Information Act, on the grounds that the document alleged to contain the information requested does not exist or, despite reasonable efforts to locate it, cannot be found.

Please note that this letter (with your personal details removed) and enclosed documents may be published on the Treasury website.

This reply addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely
